

The Monroeville Lions Foundation

(A 501(c)3 Charity)

130 Hidden Valley Rd.
Monroeville, PA 15146
April. 22, 2023

To: Supporter of Lions Club "Run For Sight"

Dear _____,

Imagine not being able to ever read this print due to partial or complete blindness. Fortunately, electronic technology and other aids have made available partial solutions to that problem. Unfortunately, the cost of obtaining and maintaining these services and devices makes them unavailable to many of those needing them. Some even lack resources to get a simple solution such as prescription eyeglasses.

Helping those in need obtain vision assistance has been a major mission of all Lions Clubs, and the Monroeville Lions Club has been active in contributing to that role since 1952.

One of our several fundraisers this year is a road race we are calling the Lions **4K 4 Sight**, to be held on July 4, 2023, along the parade route. Besides holding a fundraising event that can be fun for those over a wide age range, we want to promote healthy exercise with something encouraging months of training.

Vital to the success of this project is the support of many local businesses as sponsors, whom we acknowledge on the back of our participant tee shirts. **We respectfully request that you include the Monroeville Lions Foundation as a worth cause you support.** See the back for sponsor registration form for the various levels available.

Thank you,
